Director of Security
Central Intelligence Agency
Washington, D. C. 20505

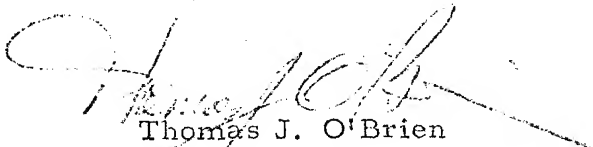

Dear Sir:

The Department of Defense is currently revising the DoD Directive governing the use of the polygraph. In this connection, provision is being made to authorize polygraph examinations of DoD personnel who are detailed to the CIA, or who work with CIA in a capacity requiring "CIA staff-like access." Attached for your information is a copy of the revised draft Directive. Your attention is called specifically to paragraph III. B. 3., which sets forth this authority.

You will note that the draft indicates that CIA, in connection with polygraph examinations of DoD personnel, abides by certain general policies as set forth in paragraphs III. B. 4., 5., and 6. It will be appreciated if you can affirm the accuracy of this specific provision.

Your cooperation in this matter is appreciated.

Sincerely,

Thomas J. O'Brien
Director, Security Plans and Programs
ODASD (Security Policy)
